at approximately 8<sup>30</sup> AM on May 4<sup>th</sup>, 1972 I saw an accident at the entrance to NSA from Rt. 32. I was the 3<sup>rd</sup> car in the middle lane of Rt. 32, all stopped, waiting to turn left. a car was approaching us from the south on Rt. 32. a triumph passed me on the left and crossed Rt. 32 in front of the car approaching us from the south. the triumph was struck in the side toward the rear by the chrysler traveling north on 32. the triumph was spun around and struck a taxi stopped across the street.

I stopped and rendered aid to driver <sup>of triumph</sup> and tried to help passenger but could not feel life. I asked another driver ( [redacted] ) to call an ambulance and police. I then drove to passenger in the taxi to NSA main Building and asked the receptionist to see that she received aid. she had a bumped nose. *AB*
